ACCESSORIES

MAXLINER UNDER RAIL

Designed specifically to meet the highest specifications of each vehicle. Toughness, agility and extraordinary dependability are all combined into Maxliner. Also tested under the most severe and harsh environment, it is the strongest and the most luxurious bedliner ever built.

- Stylish design with world-class quality with durability to handle any load with confidence
- 100% anti UV surface
- Quick installation with no drilling required
- Easy to clean from dust, mud and chemical residues
- Easy installation and no drilling required
- Factory tie down points retained
- Maxliner Optional Accessories

Our Maxliner KD (Knocked Down) 5 piece under rail bed liner is our latest evolutionary step forwards bedliner innovation. For this variant the floor has a “non-skid floor surface” reducing sliding of cargo while driving. Furthermore, the five-piece design allows a closer fit to the truck bed, maximizing inside space. This all packed in a single box, reducing transport damages, shipped to you much more efficiently than the traditional bed liners and easy to install DIY. Do your own research and we’re confident you’ll see that the Maxliner KD is your best choice in Pick-up Bed protection!

Easy Assembly (5 pieces of Bedliner)

A lightweight bed liner made from durable polyethylene material which can easily be assembled with interlocking pieces suitable for your everyday application.

- Lightweight and durable plastic material of High-Density Polyethylene (HDPE),
- 5 pieces of bed liner-Easy to assemble and install
- Protects your truck bed from scratches
- Carton packaging for easy transportation
- 100% anti UV surface
- Maintenance free surface

MAXPRO maxliner

MaxPro Floor liners leave no floor in your vehicle unprotected. With the help of the raised lip and molded outer edge these floor mats lock in all the dirt and liquid spills you could throw at them. Specifically, the raised lip prevents anything from reaching the carpet of your vehicle, protecting it from messy accidents.

MaxPro seeks to provide not just superior protection for your vehicle, but also enhances the overall appearance of your vehicles interior with its textured surfaces and modern design.
